

**Canyon Crest Academy ASB Funding Request**

ASB is dedicated to financially helping all student groups on campus. Our goal is to financially assist as many student groups on campus as fiscally possible. We encourage your group to request funding for your activities and needs. Funding Requests will be reviewed on a need/time basis. Note: ASB is required to follow California CASBO laws in what we can/can't fund, so unfortunately not all funding will be approved. We base our funding on your efforts too.
